

CENTRAL INTELLIGENCE AGENCY
WASHINGTON 25, D. C.

9 March 1953

STATINTL

You may recall an interview which you had with a representative of this Agency in March 1952 concerning the possibility of your employment with us.

We have recently been reviewing your file with special interest in your public administration background. If you are interested in being considered here at the present time, we shall be very happy to have you contact us at your earliest convenience so that we may arrange for an early meeting between you and one of our representatives.

We note from your record that you may now be in the armed forces. If so, we will be unable to consider you for a position at this time.

Very truly yours,

STATINTL
